Beginner Score Sheet

HOUSE RULES AGREED

Kontra doubles before you write.

Counting your Card Points

Before you count. Push everything your side captured into one pile. Playing alone? Then your side is just you. Then take out the empty four (1 ♥, 1 ♦, 10 ♠, 10 ♣).

- Count the cards in the pile. Every remaining card counts 1. That is your **base count**.
- Go through the same pile and add up the pips printed along the card sides. That is your **pip count**.
each King +4 · each Trull card +4 · each Queen +3 · each Cavalier +2 · each Jack +1 · everything else 0
The Trull is the Skus, the Moon and the Pagat.
- Add the two counts together. That is your side's **Card Points**.
